

## EXPRESSION OF INTEREST (EOI) FOR THE PROVISION OF LABORATORY SERVICES TO THE TILENGA UPSTREAM DEVELOPMENT PROJECT IN UGANDA

REFERENCE: 10309994

TotalEnergies EP Uganda (COMPANY) as Operator of Contract Area (CA) 1 and License Area (LA) 2 North, in conjunction with its Joint Venture partner(s), invites experienced and reputable companies to express interest in providing services and/or consumables in support of the general operation and maintenance of equipment utilized within the Tilenga CPF Laboratory which is owned and operated by COMPANY.

### General Field Development Description:

The Tilenga oil and associated gas development (PROJECT) is located in the North-East area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block. Four vertically stacked reservoirs are developed. The facilities include well pads (30+) and industrial area containing Central Processing Facility (CPF).

### Scope of Work:

Provision of Services and /or Consumables in support of the general operation and maintenance of Equipment to be utilized within the Tilenga CPF Laboratory which is owned and operated by COMPANY. The laboratory shall be located at the Tilenga CPF within Buliisa District in the Albertine region in Uganda, herein called Worksite, and analyzers, herein called Equipment, shall be supplied, calibrated, maintained, and certified for their proper functioning.

- Provision of qualified laboratory technicians,
- Supply of spare parts, relevant maintenance, calibration, and technical support for the Equipment, and option to supply complete set of equipment,
- Supply of laboratory consumables (chemical reagents and laboratory materials)
- Certification of laboratory equipment

The scope covers both hardware and software while ensuring at all times:

- Safety and hygiene,
- Environment and sustainable development,

- Operational efficiency,
- Upkeep of the equipment

**The selected contractor will be able to demonstrate the following abilities:**

- Experience in providing similar services and equipment on rental / purchase basis to oil & gas processing / refining / petrochemical / chemicals industries.
- In case the contractor is required to supply a set of equipment, the contractor must be the official authorised dealership representative of the equipment manufacturer.
- Financial capability to procure, transport and deliver laboratory equipment and consumables from source to Worksite.
- Capacity to supply, operate and maintain such equipment.
- Proof of ISO Certifications in ISO 9001, 14001 & 45001.
- Proof of accreditation / qualification for certification of equipment in the goal to have laboratory equipment certified and the overall laboratory accredited ISO 17025 and in compliance with local regulations that govern laboratories such as US 1754, US 1818.

### Minimum Requirements for Participation:

- Health Safety and Environment (HSE) Management system, Quality Policy, and related procedures in compliance with local and international standards.
- Compliance to National and International laws and regulations.
- Demonstrated commitment to statutory National Content requirements for oil and gas operations as detailed in 2016 Upstream Petroleum Regulations.
- Current registration to or application to be registered to the National Supplier Database.
- In line with COMPANY's objective to maximize National Content, upon fulfilling other requirements for the scope of work, preference shall be given to Ugandan company or as a minimum a company that has entered into a joint venture with a Ugandan company

Interested companies who meet the above minimum requirements should submit a Company profile (including description of relevant company experience) together with a request for a pre-qualification questionnaire by email to: [EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com](mailto:EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com) on or before **15<sup>th</sup> February 2024** Noon Kampala time (GMT+3) and quoting **'EXPRESSION OF INTEREST FOR CALL FOR TENDER NO: 10309994 PROVISION OF LABORATORY SERVICES TO THE TILENGA UPSTREAM DEVELOPMENT PROJECT IN UGANDA'**.

Pre-qualification questionnaire(s) with submission instructions will be issued via COMPANY's e-sourcing system SAP-ARIBA after the aforementioned EOI closing date to only interested companies meeting the above minimum requirements.

Note: Only pre-qualified companies will receive invitations to submit bids during the call for tender process via COMPANY's e-sourcing system SAP-ARIBA.
