This statement is in response to your request whether our products contain Substances of Very High Concern (SVHC) in view of Regulation 1907/2006/EC (REACH).

SVHC are addressed through the authorization system (Reach Title VII). The Substances of Very High Concern are identified through the "candidate list" (referred to in Article 59 of the authorization system) and gradually they may be included (Article 58) in Annex XIV (Substances subject to authorization) of the Reach Regulation.

We hereby certify that the here above mentioned products do not contain more than 0.1% (w/w) of any substance of very high concern listed in the ECHA candidate list in accordance with Article 33 of the Reach Regulation, as updated on **June 28<sup>th</sup>, 2024**. You may find the complete list at the following website: [Candidate List of substances of very high concern for Authorisation - ECHA \(europa.eu\)](https://echa.europa.eu/candidate-list-table)

However, since we do not perform specific tests to verify the potential presence of SVHC in our Product(s), we cannot guarantee that there is no trace amount of some of SVHC, as impurity or otherwise, in our Product(s).

Our letter does not cover :

- any modification of The Product by any addition of any other product to it,
- any prejudicial modification of The Product resulting from a processing of The Product,
- an inadequate use and/or storage of The Product and of the finished articles.

The present letter is valid for a period of one year starting from the date first above written. It can then be renewed upon request.

We are at your disposal for any further information you may need and remain,

Yours faithfully,  
TotalEnergies OneTech Belgium
