

SINOPEC

Sinopec International Petroleum Services Co. (Uganda) Ltd is Contractor on the Tilenga EPSCC Oil and Gas development project in the Lake Albert region, Western Uganda.

EXPRESSION OF INTEREST (EOI) FOR BASE PREPARATION AND CIVIL WORKS CONSTRUCTION OF THE LWA (LAKE WATER ABSTRACTION) YIELD.

Sinopec International Petroleum Services Co. (Uganda) Ltd is a Contractor on the **Tilenga EPSCC** Oil and Gas development project in the Lake Albert region, Western Uganda. The company seeks to prequalify competent, local contracting firms for the Base preparation and Civil works construction of the **LWA (Lake Water Abstraction)** yield. The following but not limited will make up the project scope of works:

- i. Concrete pad foundations/platforms**
- ii. Construction of steel shelter equipment storage area**
- iii. Concrete covered drain system**
- iv. Construction of temporary access road to site and on-site access roads**

We hereby invite experienced, reputable, and qualified companies to apply by providing the following information to be considered for further assessment.

Minimum Requirements:

- Registration on the National Supplier Database (**NSD**) Maintained by the Petroleum Authority of Uganda for service providers in the Oil & Gas sector.
- Certifications like VAT, Current Bank Statements, and audited accounts.
- Company Profile with clear documentation and evidence of availability of qualified staff and equipment to execute the required work,
- Relevant work experience within the last 5 years.

Interested parties may send their **EOI** to the following email:

TIP_EPSCC_S.osec@sinopec.com not later than **17th/August/2023, 5: 00PM.**

Suitable applicants will be invited for a tendering meeting to continue the bidding process. Please note that late applications will not be considered.

Also factors like safety standards, financial stability, capacity, and others will be considered for the qualification process.

LATE SUBMISSIONS SHALL BE REJECTED
