

EXPRESSION OF INTEREST (EOI) FOR MAINTENANCE SERVICES FOR FUEL GAS COMPRESSORS

REFERENCE: 10332717

TotalEnergies EP Uganda (COMPANY) in its capacity as Operator of Contract Area (CA) 1 and License Area (LA) 2, in conjunction with its Joint Venture Partners, invite experienced and reputable contractors to express their interest in providing maintenance services for future oil production in respect of the Tilenga Project in Uganda.

General Field Development Description:

The Tilenga oil and associated gas development is located in the Northern area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block (Tilenga Project).

The major development surface facilities include the following:

- Wellpads (31) and the upstream gathering network.
- The Industrial Area containing temporary facilities and the Central Processing Facility (CPF).
- The associated supporting infrastructure (camps, roads, aerodromes etc.).

The Maintenance Services fuel gas compressors packages:

The scope of work covers the provision of maintenance services in support of COMPANY operations, which activities will include but not limited to the provision of following:

- Trained and competent technical field engineers to support planned and corrective maintenance activities for 2 packages including 4 Baker Hughes fuel gas compressors (2 per package).
- Remote technical support and diagnostic services to maintain system availability
- Training and development of site staff.
- Contract management and reporting

Interested parties may participate in this EOI as a single entity or as an association of companies, where they shall (individually or collectively) demonstrate the following minimum requirements;

Minimum Technical Requirements:

- Experience as maintenance and overhaul of Baker Hughes centrifugal compressors
- Capacity to provide experienced field service engineers for the energy or other major sectors of the industry.
- Proven expertise in the operation and troubleshooting of Baker Hughes centrifugal compressors
- Execution of technical training related to the services.
- Provision of remote technical support services.
- Contract management

Minimum requirements:

- Experience in providing similar services
- Mandatory Current registration to or application to be registered to the National Supplier Database as required by the 2016 Upstream Petroleum Regulations of Uganda
- Commitment to statutory National Content requirements for oil and gas operations as required by 2016 Upstream Petroleum Regulations of Uganda
- Health, Safety, Security, Social, Environment and Quality (H3SEQ) Management system, and related procedures in compliance with local and international standards.
- Valid applicable National or International licenses or permits including Trading Licenses
- Qualified and Certified personnel to perform the service
- Certified equipment to perform the service
- Quality Control and Assurance capabilities
- Financial capability
- Existence of all applicable and valid ISO Certifications
- Tax Compliant
- National Social Security Fund (NSSF) Compliant for Companies registered in Uganda and its equivalent for International Companies

Interested companies who meet the above minimum requirements should submit a request by email to: **EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com** for a pre-qualification questionnaire on or before **7th May 2024 Noon Kampala time (GMT+3)**, quoting **'Prequalification Questionnaires request Ref. No. 10332717 – Service for MAINTENANCE SERVICES FOR FUEL GAS COMPRESSORS'**.

Note: Only pre-qualified companies will receive invitations to submit bids in furtherance of the Call for Tender process. The pre-qualification Questionnaires and later Call for Tender will be issued via COMPANY's official e-sourcing system SAP-ARIBA.
