

CONSTRUCTION EQUIPMENT AND LIFTING MACHINE OPERATOR'S TRAINING & LICENSING - CLASS F

CALL FOR APPLICATIONS

TotalEnergies EP Uganda, through its implementing partner Western Heavy Machinery Training & Management Centre, invites applications from qualified Ugandans for a sponsored Construction Equipment and Lifting Machine Operator's Training and Licensing - CLASS F, for the Tilenga Project.

The program is aimed at supporting 40 Ugandans to acquire employable skills to enable them to tap into the employment opportunities within the Oil and Gas sector and others.

Who can apply?

- Ugandan nationals aged 25 years and above.
- Holder of either Class B, C or CE driving license (valid for atleast 3 months).
- Medically fit to operate the associated equipment.
- Able to speak, read and write basic English.
- Females candidates are strongly encouraged to apply.
- Experience working in construction industry is an added advantage.

How to apply

Submit an application letter, Copy of your National ID, copy of valid driving License and a recommendation letter from the LC1 or current employer to any of the following:

- Submit application via email:
westernheavymachinerytc@gmail.com
- Or hand deliver to: **WHMTC** SM building, Level 2 Room No.13
Kubiri off Gayaza Road, Kampala, Uganda.

Application Deadline

Friday, 20th Sept, 2024 at 5:00pm.

Applications received after this date will not be considered.

Selection Process

- Successfully shortlisted candidates will be contacted using this no. **0783 662 703.**
- Contacted candidates will undergo pre-training assessment.
- Successful candidates will be contacted and enrolled for the training.

Note

- Training location: Kampala.
- Application, training and licensing are fully funded by TotalEnergies EP Uganda.
- Welfare including accommodation and meals will be provided.
