

Cockpit Cleaner

Cleans and shines for a like-new appearance.

Description

Easy-to-use Dashboard Cleaner renovates and revives all types of interior coverings. It protects surfaces from ageing and gives them a satin finish. Its long-lasting antistatic and water-repellent film limits dust deposits. A beautifying effect guaranteed!

Product benefits

- Maintenance and repairs:
Car interiors (dashboard, plastic trim, rubber, etc.)
Motorcycle equipment (fairing, paint, seat, fender, etc.)
- Cleans and shines for a like-new appearance.
- Revives colours.
- Leaves an anti-static, anti-dust, water-repellent protective coating.
- Dries invisible.
- Usable in any position and leaves a pleasant orange scent.

Ease of use

- If the surface is dirty, clean first with a neutral all-purpose detergent.
- Shake aerosol can before use.
- Spray approximately 25 cm away from surface.
- Let dry for several seconds.
- Polish with a soft, lint-free cloth.

Quality & safety

- Active ingredient: polysiloxane fluid, fragrance, hydrocarbon solvent, free from aromatics and chlorine.
- Propellant: butane (extremely flammable).
- Dangerous product class 2.1 UN code 1950
- Do not dispose of in the environment.

Characteristics

- Product height: 20.1 cm
- Number of units per box: 12
- Box dimensions: 21.6 x 16.3 x 21.2 cm

Composition

- Active ingredients: polysiloxanic fluid, fragrance, hydrocarbonate solvent, aromatic hydrocarbon and chlorine-free.
- Propellant: (Highly flammable) Butane.
