

Multipurpose Textile Cleaner

Deep cleans fabrics and carpets.

Description

TotalEnergies Wash Multi-Purpose Textile Cleaner cleans and sanitizes all types of fabrics and carpets. Its active foam removes even the most stubborn stains, binding the dirt without redepositing them. The colours of the coverings are thus revived without altering the quality of the textile fibres.

Product benefits

- Deep cleans fabrics and carpets.
- Dissolves the most stubborn stains without discolouring the surface.
- Eliminates odours and bacteria while leaving a fresh and pleasant fragrance.

Ease of use

- Shake the aerosol well Avoids squeaks.
- Spray about 20 cm from the surface to be treated (for small surfaces, spray the product on a cloth).
- Leave to act for a few moments and brush (soft bristle brush) if necessary.
- For a better result, wipe with absorbent paper or a clean cloth.

Effectiveness & results

- Restores the colour of textiles without weakening them.
- For a better anti-bacterial effect, leave for 15 minutes.

Quality & safety

- Hydro-glycolic solution containing non-ionic surfactants with sequestering agents and bactericides.
- Free of silicone and phosphate.
- Complies with the Bactericide EN 1040 and Fungicides EN 1275.
- Propellant: butane (extremely flammable)
- Dangerous product class 2.1 UN code 1950

Characteristics

- Product height: 20.1 cm
