

# STEEL FABRICATION ERECTORS TRAINING

Call for Applications

Ugandans to be trained and internationally certified.

**TotalEnergies EP Uganda, through its implementing partner Solid Rock Life and Business Services Ltd, invites applications from Ugandans to train in Steel Fabrication Erecting techniques.**

## Who can apply?

- Ugandans 18 years and above. Priority to be given to applicants from Nwoya, Buliisa, Masindi, Pakwach, Kikuube and Hoima Districts.
- Holders of O'level Certificate/equivalent OR holders of a technical certificate in lifting and rigging OR have at least 2 years of practice/experience in lifting and rigging.
- Applicants are required to have Basic English reading and writing skills, good mathematical and physics skills.
- Applicants with a good eye sight.
- Female candidates are strongly encouraged to apply.

## How to apply

- To register, send application letter and supporting documents to [bridget@solidrockgroup.ca](mailto:bridget@solidrockgroup.ca) or deliver to **SRLB offices at Plot 3L Olumi close Kitante, Kampala (near Kitante Primary School)** with title heading as STEEL FABRICATION ERECTORS.
- For any inquiries, please reach us on **+256 775 541141** or [bridget@solidrockgroup.ca](mailto:bridget@solidrockgroup.ca)
- Applicants are required to have a Ugandan National ID and copy of an LC1 Letter.
- Shortlisted candidates will be contacted for final assessment and thereafter selected candidates will be contacted for the training.

- The application and training is free of charge therefore applicants are requested to disregard/report requests for money to the contacts above.
- The deadline for registration of applicants is **Friday 25th October 2024, at 5:00PM.**
- Applications collected and submitted at District community development officers (DCDO) for candidates from Hoima, Kikuube, Buliisa, Pakwach, Nwoya and Masindi.

## Location

- The training will take place in Kampala.

## Training Benefits

- Engineering Construction Industry Training Board (ECITB) Certification
- International Health and Safety (ECITB) accepted globally.

## What you will learn

- Moving Loads, Rigging, Erecting
- Occupational Health and Safety.
