

North Ray Solar Farm Consultation Feedback Form

Stage one consultation
9 October-6 November 2025

TotalEnergies

The first stage of consultation for North Ray Solar Farm is planned for **9 October to 6 November 2025**, and we are seeking community feedback as we develop the proposals.

This questionnaire can be used alongside the materials on our [project website](#).

Respondents may answer as many or as few questions as they wish.

All responses must be received by **11:59pm on 6 November 2025**.

Completed questionnaires can be:

- Sent by post (no stamp required) to:
FREEPOST SEC Newgate UK Local – FAO North Ray Solar Farm
- Sent by email to **info@northraysolarfarm.co.uk**
- Completed online at: **<https://solar.totalenergies.co.uk/north-ray-solar-farm-document-library>**

Following this consultation, all feedback will be considered alongside environmental and technical assessments to inform the evolving design before we submit our planning application.

By submitting feedback, you agree to the terms and conditions and confirm that you have read the Privacy Notice.

Privacy statement

Your personal data will be held securely by SEC Newgate UK and used only for consultation purposes and related planning processes. We may retain anonymised feedback for internal research and reporting, anonymised responses may also be shared with the relevant planning authority if required. Only anonymised data may be shared with third parties. For more information, please view our Privacy Notice at <https://www.secnewgate.co.uk/privacy-policy>

1. About you

Name:

Address:

Postcode:

Email:

Telephone:

Age:

- Under 18 25-34 45-54 65 and over
 18-24 35-44 55-64

What is your interest in the Scheme?

- Local resident Regular visitor to the area
 Local elected representative Local interest group
 Local business owner Other (please specify):

Are you responding on behalf of an organisation or group and if so, please share the name of the group:

- Yes No

Name of group or organisation (if applicable):

Are you happy for us to contact you about your response if required?

- Yes No

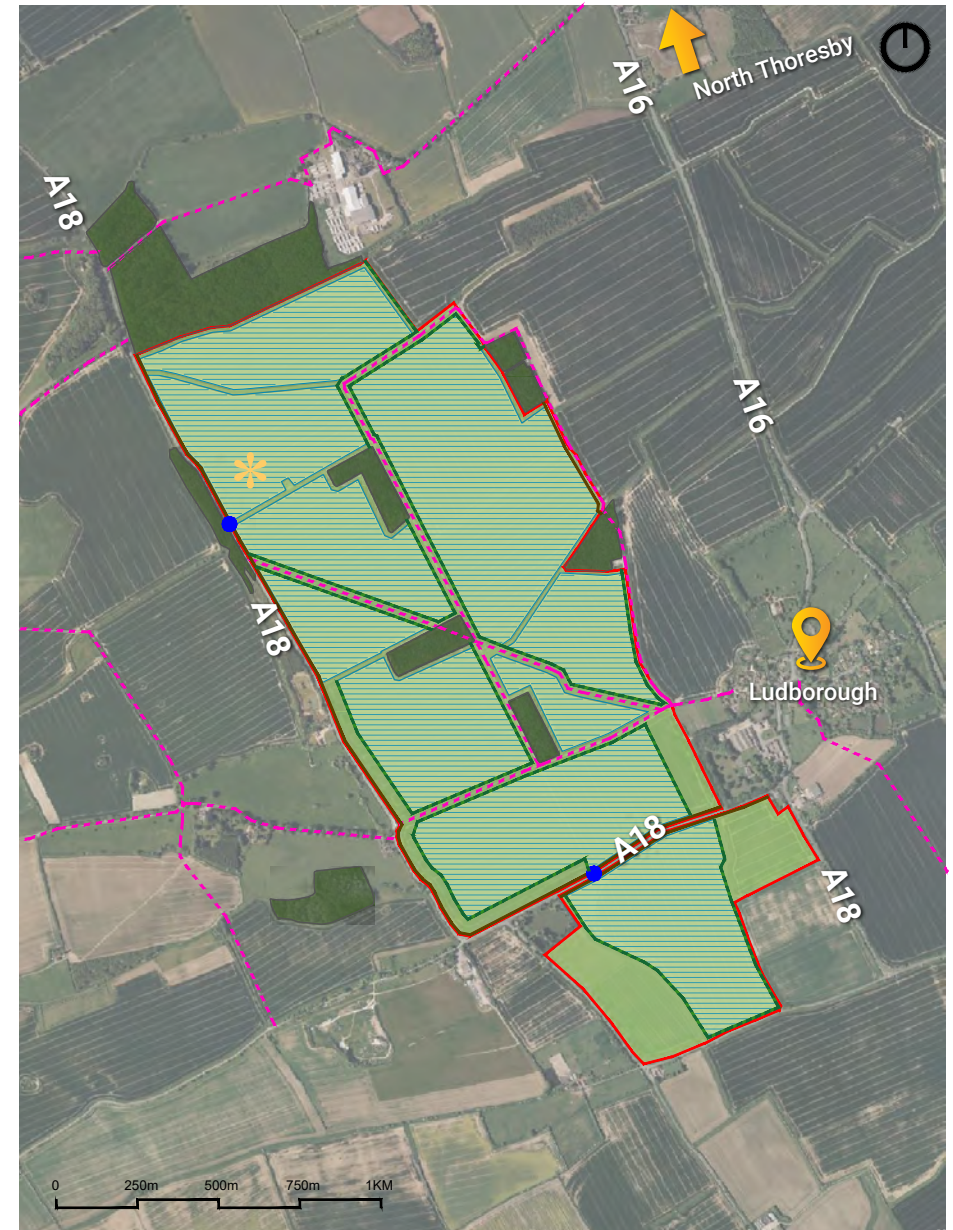

2. Our proposals

1. With regards to the proposals you have read about on our website or at our consultation events are you:

- Supportive
- Supportive, but with some concerns
- Neutral
- Opposed, but I support the development of solar farms generally
- Opposed
- Don't know

2. Please provide any further comments explaining your response to the above:

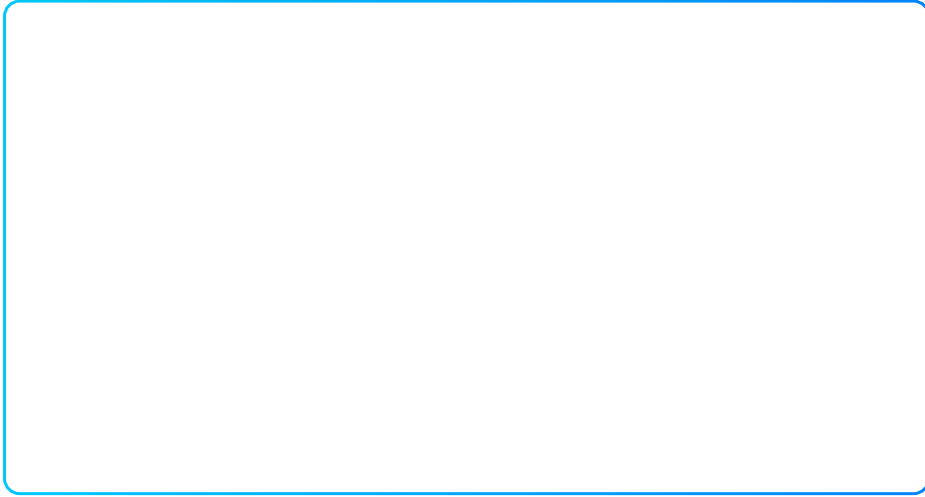

3. Do you have any comments on our draft layout for North Ray Solar Farm? Please refer to the map titled 'site proposals'. If you are providing feedback that is specific to a location, please indicate which section of the map you are referring to where possible.

	Proposed site boundary		Existing hedgerow		Proposed Solar PV
	Potential access point		Proposed hedgerow		Proposed substation location
	Existing vegetation		Proposed mitigation and enhancement		Public rights of way

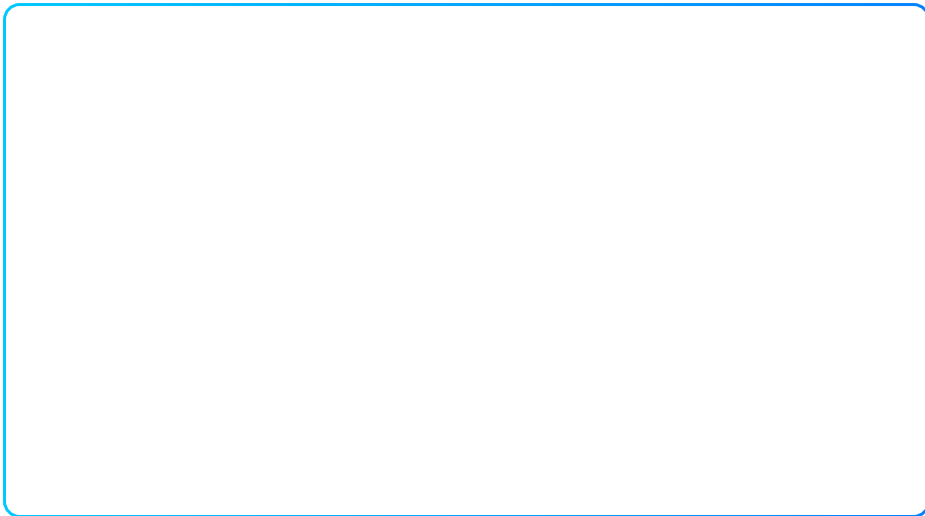

4. Do you have any local knowledge about the environment which you think we should take into account?

This could include how you use the local footpath network, and the types of wildlife you see using the area.

TotalEnergies are pleased to announce an initial proposed community benefit fund of £70,000 per annum (index-linked) for the duration of the site's lifespan, which is 40 years

5. Do you have any ideas about how North Ray Solar Farm could support local community initiatives?

6. Do you have any other comments you would like to provide?

3. About the consultation

7. Please rate the information we have published in terms of how clearly it was presented and how easy it was to understand.
