EXPRESSION OF INTEREST (EOI) FOR SPECIALIZED ELECTRICAL MAINTENANCE SERVICES FOR THE TILENGA PROJECT

REFERENCE: 10326504

TotalEnergies EP Uganda (COMPANY) in its capacity as Operator of Contract Area (CA) 1 and License Area (LA) 2, in conjunction with its Joint Venture Partner(s), invite experienced and reputable contractors to express their interest in providing **Specialized Electrical Maintenance Services for the listed scopes below, each with a duration of 3 years** for future oil production in respect of the Tilenga Project in Uganda.

Lot 1: Provision of Maintenance Services for High and Low Voltage Switchboard, Switchgears and Power Transformers.

Lot 2: Provision of Maintenance Services for Industrial UPS and Batteries.

Lot 3: Provision of Maintenance Services for High Voltage Variable Speed Drives (VSD/VFD).

The interested parties can express interest in either one or more Lots.

General Field Development Description:

The Tilenga oil and associated gas development is located in the Northern area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block (Tilenga Project).

The major development surface facilities include the following:

- Wellpads (31) and the upstream gathering network.
- The Industrial Area containing temporary facilities and the Central Processing Facility (CPF).
- The associated supporting infrastructure (camps, roads, aerodromes etc.).

Scope of Work:

COMPANY requires Specialised Electrical Maintenance Services i.e. Level 4 and Level 5 as defined in EN 13306.

Services will include, but not be limited to, the following:

- Proven experience in maintaining industrial electrical equipment as defined above in Lots 1, 2 and 3.

- Capacity to provide trained and experienced field service engineers to execute planned and corrective maintenance activities.
- Expertise in operation and troubleshooting of electrical equipment.
- Execution of technical training related to the services.
- Provision of remote technical support services.
- Contract management.

Minimum Requirements:

- Experience in the oil and gas production sector.
- Mandatory current registration to or application to be registered to the National Supplier Database as required by the 2016 Upstream Petroleum Regulations of Uganda.
- Commitment to statutory National Content requirements for oil and gas operations as required by 2016 Upstream Petroleum Regulations of Uganda.
- Health, Safety, Security, Social, Environment and Quality (H3SEQ) Management system, and related procedures in compliance with local and international standards.
- Valid applicable national or international licenses or permits including trading licenses.
- Technical capabilities to perform the service or provide the supply.
- Qualified and certified personnel to perform the service.
- Certified equipment to perform the service.
- Quality control and assurance capabilities.
- Financial capability.
- Existence of all applicable and valid ISO Certifications.
- Tax compliant.
- National Social Security Fund (NSSF) compliant for companies registered in Uganda and its equivalent for international companies.

Interested companies who meet the above minimum requirements should submit a request by email to:

EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com for a pre-qualification questionnaire on or before 19th April 2024 Noon Kampala time (GMT+3), quoting 'Prequalification Questionnaires request Ref. No. 10326504 – Provision of Specialized Electrical Maintenance Services; LOT <<...>>'.

Note: Only pre-qualified companies will receive invitations to submit bids in furtherance of the Call for Tender process. The pre-qualification questionnaires and later call for tender will be issued via Company's official e-sourcing system SAP-ARIBA.
