### PROPERTIES

Before using the product, read the following instructions carefully: Unscrew the bottle cap and place it in the holder. Before putting the bottle in the holder, take precautions so that it does not tip over. If the liquid leaks, wipe off the excess and then attach the diffuser to your car's air vent. Use the diffuser only in vertical position. A strong tilt of the bottle could cause perfume leaks. Improper use or handling of the perfume can damage the surfaces. The product is not consumable.

### Application Areas

To be use mainly inside a car.
