TotalEnergies Lubricants

TotalEnergies is a leading global manufacturer and marketer of lubricants, with 42 production sites around the world and more than 5,800 employees in 160 countries. TotalEnergies' Lubricants business offers innovative, high-performance and environmentally friendly products and services, developed by its R&D centers, which employ over 130 researchers.

Thanks to this long history of R&D, Hi-Perf exceeds even the most demanding needs of motorcycles manufacturers.

New Packaging Highlights

Technology:
300 / 500 /
700 / 900

Viscosity:
20W-40
for instance

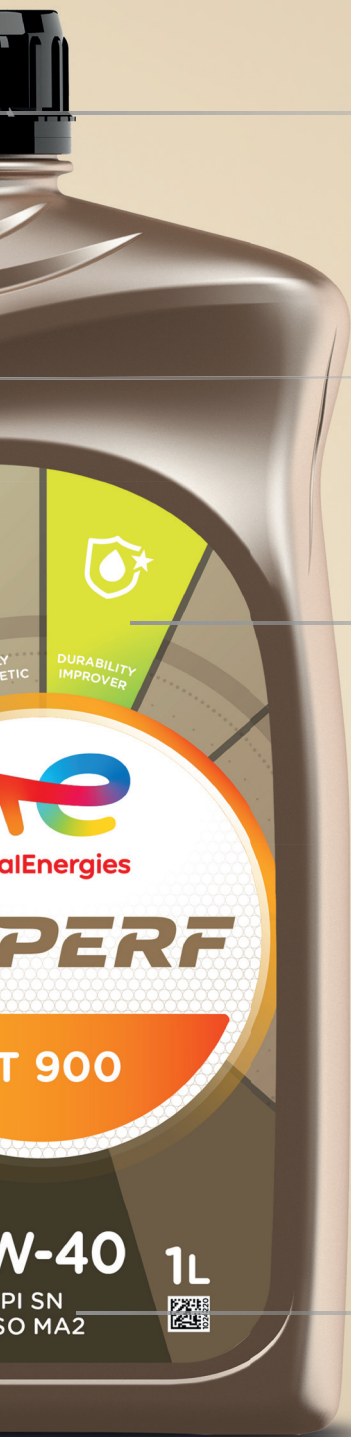

Hi-Perf xT XXX SCOOTER xxW-xx

Engine:
2T / 4T

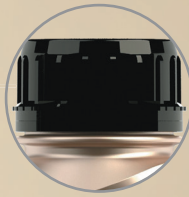

Vehicle type::
Nothing for
motorcycle
"Scooter" for
scooter

Product range	Technology	API
Hi-PerfxT900xxW-xx	Fully synthetic	API SN
Hi-PerfxT700xxW-xx	Synthetic based	API SN
Hi-PerfxT500xxW-xx	Premium mineral	API SN or SL
Hi-PerfxT300xxW-xx	Mineral	API SG or SF

Vehicle application chart

Engine

TotalEnergies products provide protection for all engine components: pistons, cams, cylinder sleeves, valve train and crankshaft. **The engine stays clean and runs optimally.**

Gearbox

TotalEnergies technology provides resistance to extreme pressure along **with optimum gearbox protection.**

New technology

Continuous safety

- Enhanced deposit control
- Enhanced oxidation control
- Enhanced wear protection
- Enhanced clutch friction durability

Clutch

TotalEnergies oil provides a uniform film between the clutch discs. **They prevent malfunction and bring an appropriate friction coefficient level.**

5 reasons to choose TotalEnergies

1 Innovation and Research

TotalEnergies invests in cutting-edge technologies to find raw materials that always bring you more energy savings.

2 Support and partnership

Thanks to our local implementation, we are committed to optimize your productivity and reduce your maintenance.

3 A major actor

Our production facilities, our supply chain and our commercial presence over 160 countries enable us to deliver a complete line of lubricants to meet all your needs.

4 Quality and environment

The ISO 9001 quality certification of TotalEnergies Lubricants guarantees a long-term commitment in this area. From creating a new product, our R&D teams develop formulations to minimize the risks of toxicity and the environmental impact.

5 OEM and references

TotalEnergies Lubricants works with manufacturers and OEMs to create high-tech products, ensuring optimum performance and protection for your machines.

Hi-Perf Engine Oil

4T - MOTORCYCLE

Hi-Perf 4T 900

Viscosity: 10W-50

Fully synthetic | API SN | JASO MA2

Hi-Perf 4T 900 is a fully synthetic 4-stroke engine oil specially designed for all types of motorcycles including racing bikes. Formulated with Durability Improver technology, it brings ultimate performance under all temperatures and improved power and acceleration whether on the road or on the race track.

Hi-Perf 4T 300 SG

Viscosity: 20W-50

Mineral | API SG | JASO MA

Hi-Perf 4T 300 is a quality 4-stroke engine oil for motorcycles which provides great lubrication and protection to all vital parts of the engine. This results in trouble-free performance of the engine between recommended drain intervals.

Hi-Perf 4T 700

Viscosity: 10W-40

Synthetic based | API SN | JASO MA2

Hi-Perf 4T 700 is a synthetic based 4-stroke engine oil specially designed for motorcycles. Formulated with Durability Improver technology, it is specially designed to provide continuous performance for all riding conditions as well as superior protection for transmissions.

Hi-Perf 4T 500

Viscosity:
API SL: 20W-50, 10W-40

Premium mineral | API SL | JASO MA2

Hi-Perf 4T 500 is a premium 4-stroke engine oil for motorcycles. Formulated with Durability Improver technology, it is specially designed to provide superior protection against oxidation and deposits, which results in enhanced cleanliness of your engine.

4T - SCOOTER

Hi-Perf 4T 500 SCOOTER

Viscosity: 20W-40, 10W-30

Premium mineral | API SL | JASO MB

Hi-Perf 4T 500 SCOOTER is a premium 4-stroke engine oil specially designed for scooters and gearless 2-wheelers.

Formulated with Durability Improver technology, it is specially designed to reduce friction and provide superior protection against oxidation and deposits, which results in enhanced cleanliness of your engine.

Hi-Perf 4T 700 SCOOTER

Viscosity: 10W-40

Synthetic based | API SN | JASO MB

Hi-Perf 4T 700 SCOOTER is a synthetic based 4-stroke engine oil specially designed for premium scooters and gearless 2-wheelers. Formulated with Durability Improver technology, it is specially designed to provide continuous performance for all riding conditions. It also improves the engine protection against wear and friction.
