

EXPRESSION OF INTEREST (EOI) FOR PROVISION OF SITE SPECIAL MACHINERY AT THE TILENGA UPSTREAM DEVELOPMENT PROJECT IN UGANDA

REFERENCE: 10283695

TotalEnergies EP Uganda (COMPANY) as Operator of Contract Area (CA) 1 and License Area (LA) 2 North, in conjunction with its Joint Ventures partner(s), invites experienced and reputable companies to express interest to supply/hire special machinery to the Tilenga Project.

General field development description:

The Tilenga Project is located in the North-East area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block. There are four vertically stacked reservoirs that are developed in the project. The reservoirs are presumed to be disconnected and will be developed individually. Laterally, the reservoirs are compartmentalized through a series of faults. The surface facilities include wellpads (30+) and an industrial area containing the Central Processing Facility (CPF) and facilities. There is re-injection of produced water into the reservoirs.

Scope of Work broadly includes:

Hiring out/supply of various types of special machinery for the Tilenga Project in Uganda.

The list of Special Machinery will include but not limited to:

No	Machinery	Quantity
1	Operations Intervention Vehicles	4
2	Special Maintenance & Inspection Intervention trucks	2
3	Steam Truck	2
4	Heated Vacuum Truck	2
5	Combo Heated Vacuum & Steam Truck	2
5	Bleed off tank mounted on trailer	2
6	Chemical Tank Delivery Trucks	2
7	Truck Bed Mobile Biocide Pump Skid	2
8	Chemical Tank Trailer (Bowser)	7 to 10
9	Electric Tow Tracto	2

- COMPANY reserves the right to divide the requirement into lots as it deems fit.
- Bidders can indicate interest in any or all of the machinery stated in the list.

The selected contractor should be able to demonstrate the following abilities

- Experience in of providing similar equipment on rental/purchase basis to Oil & Gas processing / Refining / Petrochemical / Chemicals / Thermal Power Plants / Mining / Metals / Ports / ICs / Large.
- Positive net worth in each of the immediately preceding two financial years.

The Minimum Requirements to Participate in the Prequalification Process are:

- Health Safety and Environment (HSE) Management system, Quality Policy and related procedures in compliance with local and international standards.
- Compliance to National and International laws and regulations.
- Demonstrated commitment to statutory National Content requirements for oil and gas operations as detailed in the 2016 Upstream Petroleum Regulations.
- Current registration to or application to be registered to the National Supplier Database.
- In line with COMPANY’S objective to maximize National Content, upon fulfilling other requirements for the scope of work, preference shall be given to Ugandan companies or as a minimum companies that have entered into a joint venture with a Ugandan company

Interested companies who meet the above minimum requirements should submit a company profile (including description of relevant company experience) together with a request for a pre-qualification questionnaire by **email to:**

EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com on or before **31st October 2023 Noon Kampala time (GMT+3)** and quoting **EXPRESSION OF INTEREST FOR CALL FOR TENDER NO: 10283695 PROVISION OF SITE SPECIAL MACHINERY**

Pre-qualification questionnaire(s) with submission instructions will be issued by email after the aforementioned EOI closing date to only interested companies meeting the above minimum requirements.

Note: Only prequalified companies will receive invitations to submit bids in furtherance of the Call for Tender process. The pre-qualification and later Call for Tender will be issued via Company’s official e-sourcing system SAP-ARIBA
