

# EXPRESSION OF INTEREST FOR THE PROVISION OF SUPPLY OF TOOLS FOR INDUSTRIAL MAINTENANCE ACTIVITIES

REFERENCE: 10469731

TotalEnergies EP Uganda (COMPANY) in its capacity as Operator of Contract Area (CA) 1 and License Area (LA) 2, in conjunction with its Joint Venture Partners, invite experienced and reputable contractors to express their interest in the Supply of Tools for Industrial Maintenance activities for future oil production in respect of the Tilenga Project, Lake Albert Basin, Republic of Uganda.

## General Field Development Description:

The Tilenga oil and associated gas development is in the Northern area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block (Tilenga Project).

## The major development solace facilities include the following:

- Wellpads (29) and the upstream gathering network.
- The Industrial Area containing temporary facilities and the Central Processing Facility (CPF).
- The associated supporting infrastructure (camps, roads, aerodromes etc.)

## Scope of Work

The scope of work covers the delivery of manual and powered tools for maintenance activities in Tilenga field. The final procurement list will contain, but is not limited to :

### Manual tools like:

- Combination wrenches
- Socket wrenches with ratchet handle
- Adjustable wrenches
- Torque wrenches
- Pipe wrenches
- Screwdrivers
- Pliers
- Hammers
- Allen keys
- Fully equipped workshop trolleys
- Hydraulic jacks and pumps
- Bearing extraction sets

### Metrology tools like:

- Vernier calipers
- Micrometers
- Feeler gauges
- Combination squares
- Laser alignment tools
- **Powered tools:**
- Electric / Pneumatic drills
- Impact wrenches
- Angle grinders
- Heat guns
- Hydraulic torquing machines
- Induction heaters

### Electrical tools:

- ATEX Multimeters
- Insulation testers
- Clamp meters

### Instrumentation tools:

- Pressure calibrators
- Current loop calibrators
- Temperature calibrators
- Volt / mA Loop calibrators

### Various:

- Combustion analyzer
- Temperature gun
- Borescope

The tools shall be of recognized quality brand used in industrial context (Facom, SKF, Olympus, Fluke, Druck, ... or equivalent).

Interested parties shall also be able to perform servicing, calibration and certification of tools when required.

Interested parties may participate in this EOI as a single entity or as an association of companies, where they shall (individually or collectively) demonstrate the following minimum requirements.

### Minimum Technical Requirements

- Proof of experience in industrial tools supply.
- Proof of partnership with major industrial tools manufacturers or global vendors
- Expertise in tools servicing, calibration and certification.

### In addition to the above-mentioned technical capacity, the minimum requirements to participate in the Prequalification Process are.

- Mandatory Current registration to or application to be registered to the National Supplier Database as required by the 2016 Upstream Petroleum Regulations of Uganda
- Commitment to statutory National Content requirements for oil and gas operations as required by 2016 Upstream Petroleum Regulations of Uganda
- Valid applicable National or International licenses or permits including Trading Licenses
- Qualified and Certified personnel to perform the service
- Certified equipment to perform the service
- Quality Control and Assurance capabilities
- Financial capability
- Existence of all applicable and valid ISO Certifications
- Tax Compliant
- National Social Security Fund (NSSF) Compliant for Companies registered in Uganda and its equivalent for International Companies.
- Eligible bidders should either be a Ugandan Company as defined by the Petroleum National Content Regulations, or part of a Joint Venture / Consortium with a Ugandan Company approved by the Petroleum Authority of Uganda.

Interested companies that meet the above minimum requirements should submit a request by email to:

EP\_FOPS.PREQUALIFICATION-UGEP@totalenergies.com for a pre-qualification questionnaire on or before **20<sup>th</sup> January 2026** not later than **17:00 hrs Kampala time (GMT+3)**, quoting "Prequalification Questionnaires request Ref. No. 10469731 – Supply of Tools for Industrial Maintenance Activities"

Interested parties shall.

- Quote the subject line, EOI Ref No: 10469731; Supply of Tools for industrial maintenance activities.
- Provide, on **Bidder's Company Letterhead**, details of the participating company: name and physical address, contact person including a phone and email contact and URSB business registration number or Equivalent.
- Attached a copy of their Certificate of Incorporation

**Note: Only pre-qualified companies will receive invitations to submit bids in furtherance of the Call for Tender process. The pre-qualification Questionnaires and later Call for Tender will be issued via COMPANY's official e-sourcing system SAP-ARIBA.**
