

# Technological risks: Everyone's involved, Everyone has a role!

**I IDENTIFY**  
the hazards

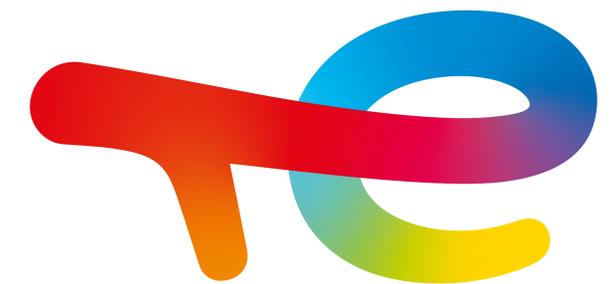

**I ASSESS** the risks and  
**DEFINE** the barriers

**I ENSURE** the barriers  
are effective

## World Day for Safety April 28, 2023

Controlling the technological risks of our industrial activities means protecting people, the environment and our assets.

**Together, let's be rigorous and remain vigilant!**
